Annual Flea-Fly Classic Set For Sunday, December First

THIRTIETH ENCOUNTER BETWEEN TINYMITES CLIMAXES FOOTBALL YEAR

Proceeds For Benefit of Brother Peter's Christmas Tree Party Held During Holiday Season

On Sunday, December 1, at 2:30 P. M. the Thirteenth annual Flea-Fly gridiron classic will be contested on the St. Stanislaus gridiron. Of all the football engagements played anywhere this spectacle of youngsters is one of the most thrilling. Every year tremendous enthusiasm is built many weeks in advance of the game. In fact, it has grown to be one of the major football attractions along the Gulf Coast. Parents and friends of the students come from all over to witness the spirited play as these baby gridders put on a football show that rivals anything of its kind in the country. If you want your money's worth be sure to make a date for the Flea-Fly classic on Sunday afternoon.

107 Players To Participate

This year's Flea-Fly personnel numbers many players. Brother Leonard who has handled this spectacle for man years has divided them into squads consisting of four teams each. No player weighs over 100 pounds which is the maximum set by Brother Leonard. The players come from St. Stanislaus and from the St. Joseph's Academy.

A big coaching staff is necessary to handle this large group of players. Headed by Brother Leonard who is the Majordomo of the entire affair he also has many capable assistants. From here on out those mentors will concentrate on a strategy of baffling reverses and intricate plays calculated to demoralize the opposition.

Proceeds of This Game Are For Brother Peter's Christmas Tree

Whatever money is collected from the sale of tickets for this game goes to a most worthy cause—to swell the amount of Brother Peter's Christmas Tree Fund for the benefit of the hundreds of poor children in this section. The price of admission will be 25 cents and 50 cents for children and adults, respectively.

Everyone is urged to buy a ticket not only for the sake of the game which is worth even more as pure wholesome entertainment but also for the purpose of making the Christmas party for the under-privileged a grand success.

The Bay St. Louis High School Band has agreed to play for one of the squads. the Fleas. The Fly team will have the support of the Stanislaus Band. Both Bands will perform at the half of the game.

The Flea-Fly Squads are as follows:

Fleas—Squad 1—P. Palermo. G. Gearheard. A. Ranson. H. Gex, C. Barre, R. Simons, T. Stimmel, C. Lewy. M. Burke, R. Rhodes, J. Caruso. E. Angelo, B. Stieffel.

Squad 2—W. Gearheard, F. Hille, G. Gex, K. Strong, R. Picou, B. Falgout, J. Curran, H. Roca, R. Frank J. Kimble, A. Seghers, F. Moolekamp, F. Brown. B. Scarborough.

Squad 3—C. Nunez, T. Call, F. Lovoi, S. Dorn, J. Callow, L. Lucas, W. Fitzgerald, J. Radford, J. LaBorde, W. LeMaitre, E. Aime, D. Crasto, L. Bernhard.

Squad 4—J. Glover. V. Bermond,

(Continued on page Four)

O'DONOHOE, JOHNSON BURNS, CAMPBELL SENIOR OFFICERS

(Charles Kiefer)

A long awaited session came when the Senior Class held their elections on Wednesday, October 6th, in the Stanislaus auditorium. The elections were run on an open ballot and almost immediately. as inevitable, parties began to form.

On the "Football Ticket," O'Donohoe was nominated president by a majority of 33 vote on the third ballot.

The "Candy Shop Ticket" having had its candidate, Bobby Johnson, defeated for president rallied forth in the second race. His only opposition Dickie Curran on the divided "Day Scholar Ticket" acknowledged defeat. Then Bobby Johnson took the office with a plurality vote.

The fight for secretary was a hard fought one between the Football and the Candy Shop parties. The respective candidates, Wally Burns and Hubert Campbell, both admired by the class put up the most interesting battle of the whole election. But it was the Football Ticket that proved the stronger, and Wally Burns became secretary by a plurality vote.

In the last election it was again the same two groups, with the Football Party battling for the upper holding of offices.

The Candy Shop Party once again pushed Hubert Campbell, this time, against "Blue" Hodgson of the Football Party. But in the plurality tally, it was Campbell by a few votes, thus putting the Senior officers in equilibrium. With both groups holding such two hard working officers, we are looking forward to a very progressive Senior Class of 1947.

SMALL TEAM IN BIRMINGHAM BOWL SATURDAY, DEC. 14

TEAM TO TRAVEL ON HUMMING BIRD

The newly formed Bantam Toy Bowl in Birmingham, Alabama, has invited the midget team of St. Stanislaus for one of its participants. The team will be composed of boys selected from our own Fleas and Flies, and is being coached by Coach Pete Burge and Brother Leonard.

The game will be played in Birmingham on December 14th, and an attendance of some thirty thousand people is expected. At present, well over twenty thousand tickets have been sold. The proceeds will go towards the construction fund of the John Carroll Memorial High School which is being built under the auspices of Bishop Toolen of the Alabama diocese. Cardinal Spellman, Archbishop of New York will be in attendance at the game.

The team will leave on the Hummingbird on December 13th and the return trip will be on the same train on December 14th.

In addition to the coaches, Brother Peter will accompany the team.

E. E. "Rip" Miller, line coach at the United States Naval Academy has accepted an invitation to serve as honorary game coach with the St. Stanislaus team.

He is a former Notre Dame player and was one of Knute Rockne's immortal "Seven Mules." He is the first of many top ranking coaches to accept Toy Bowl invitations.

The Rocks aggregation will copy the uniforms of Notre Dame while the Birmingham team will follow the Alabama style. Announcing the game will be Maury Farrell, CBS sportscaster.

SENIORS PROUDLY DISPLAYING NEW CLASS RINGS

(Armand Gutierrez)

On Thursday, November 21st the bulletin board carried the long and happily awaited notice, "Seniors who have their money may get their Rings and Pins Friday morning, November 22."

As happens every year, the news spread like wildfire and the topic of conversation for the seniors was this distinctive mark of an upperclass man.

Friday morning Brother Linus was flooded with students demanding their rings. After ownership had been secured, there were no "Ohs" and 'Ahs," but rather a deep sense of pride and accomplishment.

Condolences

The faculty and the students of Saint Stanislaus wish to express their sincere sympathy to Robert Chenowith on the death of his father and also to Stoney Dale on the death of his grandmother. We shall remember the deceased in our prayers.

FLEA-FLY ORGANIZER FOR 14 YEARS

REV. BROTHER LEONARD, S. C.

ROLL OF HONOR

SENIORS: Richard Alba, Robert Buford, Edward Caire, Jeff Favre, Lessley Gardiner, William Holmes, Wallace Burns, Richard Curran, Armand Gutierrez, Richard Hunter, Robert Johnson, Oliver Dabezies, William Logan, Norbert Schmidt.

JUNIORS: Robert Boi, Edmond Brignac, Walton Caire, John Carter, Robert LeBlanc, Robert Powers, Douglas Aubin, Jules DeBarros, Richard Deslatte, Joseph Fasold, Cyril Fayard, Phil Kergosien, James Kerrigan, Edward Landry, Nelson Lang, Dominick White.

SOPHOMORES: William Caldwell, Michale Dolan, Frank Johnson, James Dupuis, Walter Eran, Van Fayard, Claude Kohler, Morgan Slade.

FRESHMEN: Norman Carnovale, Edward Clemmons, Howard Gilmore, Dominick Gulotta, John Gutknecht, Claude Hooton.

EIGHTH GRADE: William Clemmons, Roger Manfre, Thomas Aicklen, Clayton Barre, Robert Cagle, Bruce Favre, Irwin Font, Grant Gearheard, Roger Heitzman, James Holmes, William Kling, Rutledge Parker, Eugene Schwartz, Toni Stimmel, James Touchard.

SEVENTH GRADE: Eugene Cagle, Gregory Favre, Vincent Liberto, Arthur Schick.

SIXTH GRADE: Frank Brown, James Curran, Nolte DeRussy, Ronald Frank, William Gearheard Mac Haas, Donald Levy, Louis Lucas, Robert Murphy, Henry Roca, Parker Saussy, Larry Scharff, David Treutel, Shelby Tucker:

FIFTH GRADE: Edmond Aime. Anthony Benigno, Charles Ferry, Harold Johnston, William Scarborough, Jerry Wiegand, David Tucker.

FOURTH GRADE: John Calhoun, Richard Ferry, David Franz, John Glover, David Harris, Ernest Posey, Douglas Talbot:

Handles Basketball, Softball Leagues

As the annual Fly-Flea Game rolls around, any comments would be incomplete without a few words about the Brother who has been directly responsible for its increasing success year after year. We mean none other than Brother Leonard whose name is synonymous with the Christmas Classic.

For fourteen years he has handled this outfit of battling youngsters. when one considers that the number totals sometimes a hundred and fifty active young boys, it is amazing how one man can keep up with them for a short time let alone fifteen years. Yet, Brother Leonard not only keeps up with them but is always ahead of them. He seems tireless in his care over them and they in return place him uppermost in their esteem.

His interest in the activities of the small boys is not limited to football. When basketball season comes around, he will have a giant-sized league for the young fellows. He'll do the same for the softball and baseball season.

Added to his heavy duties in polishing of teams for the Flea-Fly classic, he has assumed the responsibility of readying two teams for the Toy Bowl to be held in Birmingham, Alabama. Both will be small teams and they are in capable hands. We can already forecast success for this gala occasion since Brother Leonard has taken charge of the affair.

PATRONESS OF THE UNITEI STATES

SUNDAY, December 8 marks the date f the Feast of the Immaculate Conception, one of the may days set aside for the paying of special honor to the BlessedVirgin Mary, our Mother. Though this is but one of the manydays set aside in her honor it is yet the greatest. On this day w are not honoring Mary as the Mother of God, or Mary as th greatest of the Saints of God but rather we are honoring i her the greatest prerogative ever conferred on a mortal beir—the dogmatic fact that in the first instant of her conceptin, by a singular privilege and grace granted by God, in viewof the merits of Jesus Christ, the Savior of the human race, he was preserved exempt from all stain of original sin. For Mry, Baptism was unnecessary because God had refused to allo the taint of the sin of our first parents to touch her soul. The state of original sanctity, innocence and justice was conferred upon her and by this singular gift every stain and fault, every passion and depraved emotion was excluded. In Mary were none of the brutalizing instincts that seek unceasingly to debase man to the level of irrationality—instincts that are perpetually drawing man away from God; the lower impulses of pride, and sensuality, of lust for power and greed, or injustice and cruelty. In Mary all of these were non-existant. For Her life was but a beautiful peaceful path that led unerringly to the bosom of God. Let us call on the Immaculate Virgin that she may guide us along the tortuous path of every day existence that this path may lead us eventually to the unending peace of Heaven.

Rambling Review

Nel-Bell

THIS week the high school students, some proud, some ashamed, received their second reports. Most were pretty good . . The seniors have all been going around turning their rings around and around on their fingers trying their best to get used to them. Everyone is as proud as he can be to be wearing his. . . . All of the seniors joyfully await the arrival of their pins which did not come in with the rings. . . On November 19 the boys were astonished to see a 1946 Oldsmobile slowly driving into the yard with none other than Brother Peter at the wheel. Stanislaus now has a new Cruiser . . . Have you been keeping the nine first Fridays this year? Well the next one is on the 6th of December. If you have not begun keeping them, why not start with this next one and try to do so thereafter. . . Basketball season has begun and everyone sees all of the stars out every day to get into shape for some of the intra-mural competition which will be in full swing by next week. . . . Brother Peter's working crew has fixed and painted all of the desks in Room E. The boys of that class thank them . . . Many of the boys have seen the school pictures which have adorned the bulletin board and have purchased theirs. You should see some of those guys. . . . According to Gallaspy the pool hall is supposed to be opened in the near future, and we are all hoping that this rumor is true. In due time the "pool sharks" will be limbering up their cue fingers for a few games on the newly repaired tables. . . Some of the happy seniors were allowed by the president to attend the Tulane-Notre Dame game last Saturday. Also the members of the football team attended through the courtesy of Brother Peter. All enjoyed themselves very much and are very grateful . . . The band has gotten down to business for a public concert soon. Band practice has been resumed after school hours as before football season. . . . Thanksgiving was observed by the boys here by general attendance at Mass and many observed it by the reception of communion. . . . The Sodality on November 23rd discussed the topic of "Christian Marriage." This topic was chosen so that the boys would be prepared for the forthcoming Coast Union Sodality meeting. . , The Stanislaus "11" valiantly bowed to Pascagoula, 14-0, and G. C. M. A., 6-0, therefore we congratulate them on their fine sportsmanship and fighting spirit.

WHO'S WHO

Now we come to that short and jolly senior, Donald de la Reguera. Although Donald is short and light he still has played an active part in many sports during his three years here. This year he was top manager of our Varsity footbal squad and I mean he took his job seriously. There was never anything happening when he didn't know about it.

After the winter season is over and the weather gets you concentrated on swimming if you take a look at our boats you will find that Donald is one of the top and hardest workers on that crew.

Donald after leaving here will attend L. S. U. where he will study Mechanical Engineering.

* * *

Oliver "Hippo" Dabezies is the next senior for this issue. Over the past three years in which he has been here he made a very fine showing on the Junior Varsity football team last year and we could hardly mention the Junior basketball without mentioning "Hippo." Although he didn't make the first string he seemed to be the center of attraction on the team.

This last football season we found Oliver out there with the rest of the boys working hard so that our Varsity team would make the fine showing which it did.

Oliver lives in New Orleans and after leaving here will attend one of its colleges. Loyola, where he will study law.

* * *

Turning over the pages of Seniors' names we next find Graham Dacovich. "Dac" has been attending this school for the past four years all of which he has been a member of the Varsity football squad. He has also played on the Intramural basketball teams organized by Brother Adalbert. But, however, it seems that his favorite sport is Boxing which you will agree is only natural if you have ever seen him in the ring. He won the title of Golden Gloves last year and also State Championship, the latter being by forfeit.

"Dac" intends to study Dentistry at Loyola, but will first attend Spring Hill for his Pre-Medical course.

* * *

Tony Carter is the next senior to be in this column. Tony hails from New York but he has been living in New Orleans for some time.

He is a first string guard on the varsity football squad and has been playing football on the team for the past three years.

He plays the French horn in the band and devotes his other time to playing the trumpet in the orchestra.

During the summer months he excels in swimming which rates high on his list of sports.

After graduation this year, Tony plans to enter Tulane University where he will begin his Pre-Medical course. Good luck, Tony!

* * *

In closing this column I present Stony Dale. Stony has attended Stanislaus since 1938 which gives him a total of eight years as a Stanislaus boy. During this time Stony has taken part in many of the school activities, such as football., boxing. Sodality and working crews.

In the line of sports, Stony showed fine sportsmanship while in the boxing ring although he was on the team for only one year. He was a member of the football team for two years.

He is a reporter on the Rock-A-Chaw for many sport events and also for some of the other activities that took place around the school.

Following his graduation he will enter Louisiana State University were he will indulge in a course of Military Science.

A Tribute To Our Team

Football season is over now as far as the Varsity squad is concerned but every member of the team, substitutes as well as regulars, deserves our love and respect. This team of 1946 is one that really pulled us "out of the hole," thanks to the splendid job of coaching by Head Coach Pete Burge and Brother John, assistant coach.

Our team showed New Orleans, in its opener with St. Aloysius, that Stanislaus was back again, losing a game that rightfully should have been theirs. Unlike the preceding two years, Stanislaus played teams of their own calibre, defeating four of these. Thanks team and Congratulations!

HERE IS THE TEAM

Looking over the football squad we come across a great bunch of fellows.

Along our forward wall we find Ray Benvenutti, the only 48 minute man left on the squad, a husky, speedy right end who has really shown up his opponents He is a letterman from last year's team whose dust has really been flying.

At left end we have Raymond Carrio, another letterman from last year. Raymond has caught quite a few passes this season to make conversions and touchdowns. Playing fine defensive games Raymond has nailed many a backfield man for losses behind the line of scrimmage.

Playing at right tackle is a big hunk of man Louis Mogabgab. He is one boy that nobody pushed around. With his 215 pounds "Mo" easily plugs the holes on defense and clears them out of offense. "Mo," who is another returning letterman performed cerditably in the Aloysius game.

Holding down the left tackle spot splendidly is Spurgeon Lachaussee. He is a 2 year letterman who played end but was changed to tackle to strengthen that position. "Lasche" is the man who we always saw blocking those points. Even though injured for the Jesuit game he got in there just the same and really played a beautful game in spite of his injuries.

At left guard there is Graham Dacovich Even though he is rather short he really hits for keeps. "Dac" is another two year letterman. He lettered one year at fullback and last year was put up on the line where he lettered. "Dac" fought plenty hard for that first string position this year and finally convinced Coach Burge that he could handle it and believe me he can.

Over right guard we find Tony Carter, another letterman. Tony has been playing guard now for three years and knows the angles up there on the line. Whether on offense or defense Tony really piles his man up, regardless of size.

At center there is Bill Hodgson who has lettered for two years, this being his third year of football. Even though weak from illness, "Blue" got in there against the Jays and let them know he was there. "Blue" really does a fine job in backing up the line of defense, his six feet two inches making him widely known for intercepting passes. On offense you can bet he'll have his man down and out.

Looking around backfield we have Joe O'Donohoe, a two year letterman. who does a swell job of calling signals. "O. D." has played football four years, two and a half years as guard, and the remainder as quarterback. It was "O'D" on a quarterback sneak who made our lone touchdown against Jesuits.

Over at wing back position there is Wally Bontemps who also lettered last year. Wally is really a fast, shifty back and broke loose frequently for long gains against the Jesuit Jays. Wally, too, has been outstanding this season in knocking down opponents' forward passes.

At fullback we see Sonny Friis who in his first year of football at Stanislaus has already covered himself with glory. "Sonny" is the man who has been making his share of touchdowns and extra points. He does the punting for us and on those fullback plunges he usually drags a few of his would-be tacklers with him..

Over at tail-back we see another one of the four horsemen who has made a name for himself over the district. He is Teddy Millette, letterman from last year. Teddy really has an arm for passing and uses it. It was his passing threat that really had the crowds going at the Jesuit game. In the face of a fractured toe Teddy got in there against the Jays for a full 48 minutes, playing a bang up game.

Now we want to look at a boy who deserves plenty of credit. He is Wally Burns who is playing his first year of football at Stanislaus. Wally is an all around man alternating at left guard, quarterback and fullback, seeing plenty of action in all spots. Presently he is working at the right tackle position due to the injuries of the initial right tackle.

Not only are we proud of the first string but of all the members of the team some who have not yet had the opportunity to prove themselves. However there are others who have rendered fine account of themselves.

Basketball Intramurals Now In Limelight As Football Exits

HERE IS THE TEAM

(Continued from Page Two)

Outstanding among these is "Red" Reinike who plays fullback. Red, who was a member of last year's team is doing a swell job at linebacker on defense. There aren't many who are going to get past the secondary while Red is on the field. On the defense it will take more than one man to down the fast, hard plunging Red who hits the line like a tank.

Another boy we're proud of is Robert Johnson left end. Although he hasn't seen too much action, the little he has we've seen plenty of him. Up from last year's Junior Varsity, Bobby has held down his left end with plenty of power and agility making every block count.

Jerry Schoen, another boy up from the Junior Team is fast becoming popular as he hits hard, low, and fast on both offense and defense. Jerry does a fine job of playing right tackle.

Fighting hard at the right guard spot we find Phil Kergosien who put up plenty of fight against Jesuit. Phil is just a Junior and we'll probably see and hear plenty of him next fall.

"Happy" Walker another veteran from last year's squad who plays center has had little opportunity to play due to an injured shoulder. This injury was acquired during the preseason practice. However, "Happy" played a brilliant two quarters in the Moss Point game backing up the line and doing plenty to make the oppoents' heavy passing attack, ineffective. Happy was also a prominent participant in the goalline stand of that game for which the Rocks became noted. Happy also played a brilliant game against Catholic High, being an important instrument in the secondary which decreased the fear of a successful Golden Bear attack.

Bill Logan, wingback, who was outstanding on the Rock Junior Varsity last year, is fast becoming known for his great game at pass defense. Although small and light, Bill's speed and agility justifies that. Bill broke loose on quite a few occasions in the Jesuit and Catholic High games but was unable to gain much territory. He also sunk a good shoulder into the Jay's ball carriers, throwing them for losses on several occasions.

Another of the Rocks who is fast becoming popular is Toby Scafide who literally tore up the gridiron against Catholic High. Toby made the closing touchdown of the game on an end run and left his opponents behind him on several occasions. He is another Rock from last year who returned this year to end his three years of football at Stanislaus with a bang. Although very light this is by no means a handicap to his agility and ball carrying.

Bud Laurent who is just a freshman is a boy who we'll be seeing plenty in the future. Bud plays quarterback and is still known for his great playing on the Junior Rocks last season. Although in for just a short time against the Baton Rouge team, Bud made the Louisiana boys know it.

Wingback Buddy Laughlin is another boy who will be heard of plenty next season. He made a beautiful end run against the Golden Bears, which precipitated Scafide's touchdown. Buddy played wingback for the Junior team last year and is a promising player for next year's squad, being a Junior.

Bro. Felician: What is bacteria?
W. Caire: The back end of a cafeteria.

A rare coin was found recently in Scotland, but then, any coin found in Scotland would be rare.

Dale: What are you doing these days?
LaNasa: Working in a clock factory.
Dale: What are you doing there?
LaNasa: Making faces.

"But mother," said the ambitious youngster. "I don't want to be the President of the United States, I want to a Labor Leader."

A kiss is like a rumor it goes from mouth to mouth.

Bro. Reginald: Children should be heard and not seen.
Richard: You mean, children should be seen and not heard.
Bro. Reginald: Then shut up.

Pebbles Defeat McGill

Sunday afternoon, November 24, the Stanislaus Pebbles defeated a strong, fighting McGill team from Mobile by a score of 19 to 13.

Both teams played a fine game offensively and defensively. Levy Ladner made a beautiful 30 yard run in the opening of the game which precipated the Rocks initial score when he went over on the next play.

Van Fayard made the second score for Stanislaus on a forward pass which he caught over the goal. Vincent Morreale then went over for the conversion.

The final score for the Rocks came when Ladner skirted around his own right end. It was a beautiful run and the score was made possible by fine downfield blocking.

Outstanding players for the Pebbles were Fayard, Morreale and Ladner.

VARSITY LOSES HARD-FOUGHT GAME TO G. C. M. A. 6-0

(F. J. Farrell)

A big and powerful Gulf Coast Military Academy team handed the Rockachaws a 6-0 defeat before a large crowd Fridy night, November 22 in the S. S. C. stadium.

The first half proved to be a tough and rugged battle with both teams fighting hard to keep the other from scoring.

In the second quarter, the Cadets came back strong and scared the home team with a 58 yard march. However, the Rocks tightened up and took over possession of the ball deep in their own territory.

Early in the fourth quarter, the Cadets put on another drive, this time for 70 yards. Again the Rocks rose to the occasion and took over the ball. A fumble deep in Rock territory gave G. C. M. A. possession of the ball on the Rocks' one yard line.

The Stanislaus line dug in and held the Cadets yardless for three downs. On the fourth down, McCoy, 200 pound fullback. hit the line and for a split second was checked at the line of scrimmage but with a twist, he managed to fall over the goal line for the winning score.

The home team was out of the game from then on out.

Highlighting the game was the goal line stand and the impenetrability of the center of the line bolstered by captain. Anthony Carter and Graham Dacovich. Alfred Walker turned in a splendid performance as center and line backer.

SPEEDY PANTHERS DEFEAT ROCKS 14-6

(Jack Carter)

After taking a touchdown lead in the first half the Stanislaus Rock-A-Chaws came back to meet a stubborn and spirited Pascagoula team that turned the tables on the Rocks and caused an upset of the score. The Panthers were Shivers probably one of the finest runners on the coast who made both of the winning touchdowns for Pascagoula.

The first quarter found two evenly-matched teams battle it out with very little threat from either side but the playing was slightly dominated by the Rocks.

In the second quarter the Rocks struck down to the Panthers' 35 yard line where Millette shot a long pass to his most frequent target, Carrio, who carried it over the goal. A pass for conversion was incomplete.

The middle of the third quarter found things looking bad for the Rocks as Pascagoula marched to the Rocks' 38 yard marker and from there Shivers cut off tackle and scored with a beautiful run. The kick for conversion was good. Again in the last quarter the Panthers marched to the Rocks' 2-yard line and Shivers scored from there.

Praise should go to Rocky Byrd of Pascagoula for a fine job of quarterbacking and ball-handling, especially on those shovelpasses. For the Stanislaus team merit should go to Benvenutti, Dacovich, Carter and Lachaussee. Lachaussee was acting captain for the game and did especially well. Stanislaus lost but they went down fighting like a real team.

VARSITY PROSPECTS DEVELOPED IN THIS ATHLETIC PROGRAM

Brother Adalbert Enthusiastic About The Splendid Response of Participants

With football season over basketball again is in the offing and along with it, the intraumrals. From these intramurals comes most of the Varsity and Junior varsity material. A preliminary Tournament will be played before Christmas in order to give everyone a chance to check on each other's ability.

Upon the players display of goodwill, eagerness to improve and faithfulness in attendance depends whether or not the present candidates will be allowed to play in the final Tournament after Christmas. The games will be played each day between 3 and 4 o'clock; there will be two games played in the gym and two games played in the yard. The members of the winning team will be presented with gold basketballs; the runnerup with silver ones. The preliminary tournament began Wednesday, November 27. The captains were chosen from the candidates for the Junior Varsity team. Two members of the Varsity will referee each intramural game.

As not all of the captains have decided on names of their teams. only a partial list of the names of the teams appear below:

J. D. Abadie captain of the Stars; Charlie Daigle, captain of the Humming Birds, Frank Johnson, captain of the K-Hawks, Anthony Caranna, captain of the Midgets; Dutch Kenning captain of the Beaks; Ray Hagman, Captain, Buddy Laughlin captain, and R. F. LeBlanc, captain

JUNIOR ROCKS BOW TO G. C. M. A. 20-6

(D. White)

On November 14 the Junior Varsity played G. C. M. A. on their own home grounds. At the end of the first quarter G. C. M. A was ahead by two touchdowns which was due mainly to the fact that we were accountable for five fumbles of which four were recovered by the opponent. However, in the second quarter Stanley Poston made a spectacular run of 65 yards for the first Stanislaus score.

After this there wasn't any more scoring until the last quarter. but the goal was very near many times because of the constant gains of the hard hitting fullback Ed Landry.

G. C. M. A. closed the game by making the last touchdown in the final minutes of the game.

This was the closing game of the Junior team's season and a spectacular close it was, for even though it was lost, the team showed superior sportsmanship during and after the game. The same of which was true for the opposing team.

CHARACTER RELIGION HIGHEST QUALITIES IN CHOICE OF WIFE

(D. White)

On November 16 the senior Sodality met for its usual weekly meeting. At this meeting a very interesting subject was polled on by the students. This was "What Do you Expect In The Girl You Intend To Marry?" The poll consisted of ten very fine qualities which were supplied by Brother Felican.

The result of the voting found that the qualities were ranked in the following order: First and foremost was MORAL CHARACTER, next was RELIGION, third was SIMILARITY and fourth DISPOSITION. Then came HEALTH and INTELLIGENCE. DOMESTICITY, another very good quality was voted seventh. After this came EDUCATION and LOOKS, and last was WEALTH.

Brother Felician commented on the choice very highly by saying that even in colleges the votes were cast much the same as ours, with the exception that Religon was placed fifth in their choice.

Notice that although there are always boys who talk about the rich and the good-looking, in all seriousness these were considered the least two important.

Montero: What do you do for a living?
Capone: I'm a dentist in a pottery factory.
Montero: How can you be a dentict in a pottery factory?
Capone: I clean plates.

Bro. Alban: Get out of my refrigerator.
Rabbit: Why, this is a Westinghouse, isn't it?
Bro. Alban: Yes. it is.
Rabbit: Well, I'm westing.

CARS COME AND GO BUT THE CRUISER CRUISES AGAIN

(Stoney Dale)

"Out goes the old and in comes the new." That is the old saying and it applies here at Stanislaus as well as anywhere else.

Last Tuesday the old school car, sentimentally dubbed the "Cruiser," weighed anchor for good and was replaced with a brand new 1943 cream and brown Oldsmobile 78, a sleek, beautiful car. This new car immediately assumed the name "Cruiser." The weather was sloppy and rainy last Tuesday when it arrived but to both Faculty and Student Body the weather had no effect upon its beauty.

SODALITY SOCIAL SET FOR DEC. 14

(Donald Owen)

Brother Felician, moderator of the Senior Sodality, has announced that the first Sodality Social will be held on December 14th at 7:30 P. M. in the St. Stanislaus gym. The first Social ever to be held at Stanislaus was on Monday, November 13, 1944 and they have continued since then. The members of the St. Joseph Academy Sodality will be the honored guests of the evening.

The program will feature dancing, singing and games. The social will be strictly informal, the primary purpose being to foster a better understanding and friendship between the members of the two sodalities. At the same time it presents the membership with the opportunity of having a real good time in a youthful Christian way. At the present time we do not know if there will be any special performances as we have had.

The socials have always received the whole-hearted support of our teachers and parents as they present one of the best means of an evening of entertainment for our sodalists. The socials have always been a success and we hope they will continue to be successful in the future.

THIRTIETH ENCOUNTER BETWEEN TINYMITES

(Continued from page One)

W. Gex, L. Johnson. E. Engelhorn, F. Martinez. W. Lucas, M. McWaters, A. Mitchell. T. Bienert, M. Ladner, J. Calhoun, K. Artigues.

A joke is not a joke until it goes in the Rockachaw. (Joke, son.)

Bro. Linus: What is a prism?

T. Carter: A place for the confinement of criminals.

My uncle is a baker. His sons know all about loafing, the crums, they're really crusty. The whole family is rolling in dough.

Tests are like '47 Studebakers, you can't tell whether they're coming or going.

Kay: Have you heard I'm engaged to an Irish boy?

Gay: Oh. really?

Kay: No, O'Riley.
